

PRIVACY INFORMATION NOTICE

F.ENGINEERING SRL., with registered office in Via G. Verne n. 22 – 20010 Marcallo con Casone (MI) , Tax code and VAT number 09218010966, , as Data Controller, pursuant to and in accordance with art. 13 EU Regulation no. 2016/679 (hereinafter "**GDPR**"), informs you, in your capacity as a **Data Subject** (as defined in art. 4 of the Privacy Code and art. 4 of the GDPR), that your personal data will be processed in full compliance with current legislation on the protection of personal data and with the implementation of all security, technical and organizational measures deemed appropriate for the protection of the aforementioned data.

1. DATA PROCESSED

The data processed are the following data related to you: name, surname, email address, domicile/residence address, telephone number, profession, behavior data, purchase choices/preferences, company to which you belong. To better understand the above, please note that personal data are defined by current European legislation as *"any information relating to an identified or identifiable natural person ('data subject'); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person"*.

2. PROCESSING

The processing of your data is carried out by means of the operations specified in art. 4 of the Privacy Code and art. 4 no. 2) of the GDPR and specifically, by way of example: collection, recording, organization, structuring, storage, adaptation, alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

3. PURPOSES AND LEGAL BASIS OF THE PROCESSING

Your data will be processed for the following purposes, without your express consent (art. 6 lett. a), e), f) of the GDPR) - because the processing in question is necessary to be able to respond to your express request - for the following Purposes:

- Fulfil the requests for information you have made.
 - Allow and manage your Registration on the Website, as well as the performance of the activities provided to you by virtue of your Registering on the Website.
-

4. DATA PROVIDED AND CONSEQUENCES OF REFUSAL

The provision of data for the purposes referred to in letter a., point (i) of article 3) above, while optional is necessary to be able to correctly fulfil your requests, and therefore the lack of consent will preclude the possibility of providing you with an adequate response. The provision of data for the purposes referred to in letter a., point (ii) of article 3) above, while optional is necessary to be able to correctly fulfil your request for registration on the Website, and therefore the lack of consent will preclude the possibility for you to properly complete the procedure of Registering on the Website. Providing your data and consent to their processing for the purposes referred to in letter b), points (i), (ii) and (iii) of art. 3 above, is optional. However, your refusal and/or providing incorrect and/or incomplete information could prevent the development of profiles, the analysis of your preferences and also prevent the development of so-called marketing activities including market and statistical studies and research. If you give your consent you have the right to withdraw it at any time. We remind you that the withdrawal of consent, pursuant to and by effect of art. 7 of the GDPR, does not prejudice the lawfulness of the processing based on the consent you gave before withdrawal.

5. METHOD OF PROCESSING

The processing of your personal data will be carried out by means of suitable electronic and/or online tools with logic strictly related to the aforementioned purposes and, in any case, in such a way as to guarantee the security and confidentiality of the data. Except as otherwise established in the Website's Cookie Policy, informs the data subjects that no type of automated decision-making process will be used, "automated decision-making" being understood to mean as specified in art. 22 of the GDPR "a decision based solely on automated processing, including profiling, which produces legal effects concerning him or her or similarly significantly affects him or her".

6. DATA STORAGE

The data will be stored at the Data Center located in Blend.it Society. The management and storage of personal data will be carried out on servers located within the European Union belonging to the Data Controller and/or appointed third-party companies and duly designated as External Data Processors. In any case, it is understood that a subsequent and possible transfer of data outside the European Union will take place in accordance with the applicable legal provisions - including articles 44, 45 and 46 of the GDPR - as well as with the adequacy decisions adopted by the European Commission and also, if necessary and in the absence of adequacy decisions, stipulating agreements that guarantee an adequate level of protection and/or implementing the standard contractual clauses provided by the European Commission.

7. SECURITY MEASURES:

We care about protecting your information. We therefore commit to taking all reasonable measures to protect any personal information that we have stored against misuse, loss or unauthorized access. To this purpose, we have implemented a series of specific technical and organizational measures are included to deal with any suspected data breaches.

8. RIGHTS OF THE DATA SUBJECT

In your quality as a data subject, you are entitled to the rights set forth in art. 15 et seq. of the GDPR. Precisely, your right includes:

- I. Pursuant to and for the purposes the right to obtain confirmation of the existence or otherwise of personal data concerning you and their communication in intelligible form (e.g. in electronic format or on paper).
 - II. Pursuant and for the purposes to the right to know: i) the categories of personal data; ii) the origin of the personal data, the purposes and methods of processing them and their storage period, or, if not possible, of the criteria used to determine the period; iii) the logic applied in case of processing carried out with the aid of electronic instruments; iv) the identification details of the Data Controller, the Processors and the designated Representative pursuant to art. 5, paragraph 2 of the Privacy Code and art. 3, paragraph 1 of the GDPR; v) the parties or categories of parties to whom the personal data may be disclosed or who can know them as designated Representative in the territory of the State, Data Processors or authorized persons to process personal data.
 - III. Pursuant to and for the purposes, the right to obtain: i) updating, rectification or, when interested, completion of data; ii) erasure, transformation into anonymous form or blocking of data processed unlawfully, including data whose retention is unnecessary for the purposes for which the data were collected or subsequently processed; ii) the attestation that the operations referred to in points i) and ii) have been brought to the attention - also with regard to their content - of those to whom the data have been disclosed or disseminated, except in the case where such activity proves impossible or involves a use of means manifestly disproportionate to the protected right.
 - IV. pursuant to and for the purposes o, the right to object in whole or in part: i) for legitimate reasons to the processing of personal data concerning you, even if relevant to the purpose of collection; ii) to the processing of personal data concerning you for the purpose of sending advertising or direct sales material or for carrying out market research or commercial communication, through the use of automated call systems without the intervention of an
-

operator by email and/or through traditional marketing methods by telephone and/or paper mail. It should be noted that the data subject's right of opposition set out in point ii) for the purposes of direct marketing through automated methods extends also to traditional methods, and that in any case the possibility remains open to the data subject to exercise his/her right of opposition even only partially. Therefore, the interested party may decide to receive only communications using traditional methods or only automated communications or neither of the two types of communication.

Pursuant to and for the purposes of art. 16 of the GDPR, the right to obtain the rectification of inaccurate data and the completion of incomplete data.
